If you are NOT currently enrolled or you have never been enrolled, you must first complete the Admission or Reinstatement process through the appropriate Admission Office (undergraduate or graduate) before you can register for courses. This applies to both degree-seeking and non-degree students.

APPLICATION FOR ADMISSION AS A NEW NON-DEGREE CANDIDATE (Non BSU Employee)
This application is required of any student who wishes to enroll at Bridgewater State University as a NEW Non-Degree student, and who is NOT currently a BSU employee. It may also be used for students who have graduated from BSU with a Bachelor’s Degree and who now wish to enroll as a Non-Degree graduate student. Current BSU employees should complete the Non-Degree Application for BSU Employees. NOTE: Students who have previously completed courses at BSU and are not currently enrolled must instead complete an Application for Reinstatement. New students seeking to earn a BSU degree must apply for admission online as a degree-seeking candidate at www.bridgew.edu.

Web or in-person registration is recommended to ensure a space. Although students may register via mail or fax, delays may occur based on staff availability. Banner ID and PIN assistance may be found at https://services.bridgew.edu/bannerid by logging in with your BSU e-mail name and password. NOTE: Students may NOT register for classes if an outstanding registration hold exists. Students may check for holds by accessing their online student record through InfoBear on the Student Portal.
